Subject: Christophobia - News from the Bucks in France

Dear Friends,

### *Christophobia*

It may be the greatest barrier we face. “André” stood outside our church last Sunday, looking for a grocery store. Naturally, we invited him inside to attend the service. He immediately became apprehensive, asking what he would be required to do if he came. It’s wise to consider the cost before choosing Christ, but how can anyone consider when they are filled with fear? Fear of cults, fear of change, fear of Christ... we need to shine the perfect love that casts out fear. Please pray for “André”, that the perfect love of God would cast out the fear that keeps him from freedom in Jesus.

### *Word on the Street*

Churches in Troyes are regularly uniting at citywide prayer meetings for souls and for a move of God in this county, and we rejoice! Now, at least three churches are joining together to reach the lost! Street witnessing teams of members from these churches will go to different areas of the city. One week, they’ll reach out to people in the center; the next week, it will be the north... and people all over this city will have an opportunity to turn to the Messiah, to find freedom in Jesus. Please pray for hearts that are open, and for supernatural wisdom in speaking to the lost.

### *Prayer Requests*

- Praise God for the unity among the churches that are praying together, and witnessing on the streets together!
- Pray for wisdom from the Holy Spirit for the teams that go out witnessing on the streets.
- Please pray for open hearts, and freedom from Christophobia.
- Please pray for our children, for grace and wisdom for this school year.

Every time we see someone come to Christ, every time someone here gets healed, every time someone receives the baptism in the Holy Spirit, we know that you've been praying. Thank you for praying!! Please don't stop!

In the harvest fields together with you,

Ed and Kirsten,  
Rebecca, Jeanne and Jonathan Buck
