For our God is a consuming fire
Heb. 12:29

Greetings in the name of our Lord Jesus Christ!

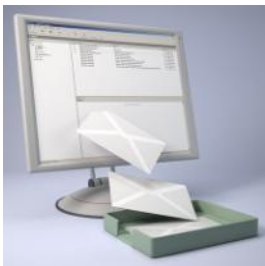

I had the privilege of attending District Council in Wisconsin/N. Michigan, Illinois, and West Florida the past couple months. It was great to see some old friends and make a few new ones. I also had the pleasure of meeting another new missionary to France. God is calling people to bring the Gospel to Western Europe. It is His desire that none be lost, but that all would come to repentance. Thank you for joining with us as we bring the Gospel to the lost in France.

We are hot on the trail of raising our budget to leave for France. While the economy may be slow, stalled, or “picking up” depending on who you listen to, we know that God is our source and that He is calling people to make new commitments to support this work in France. As we partner together, we will see the lost make new commitments to follow the King of Kings! The Holy Spirit may be prompting you to make a commitment to invest in this work – if so, **please complete the form on the back of this letter.**

Ed turns 41!

This past month I turned another year older, and hopefully another year wiser. Thank you very much for all the notes and well wishes and prayers. I was blown away by how many of you contacted me.

Are you getting our email newsletter? If not, then we may not have your correct email address. Please sign up on our website at www.sendthefire.org/newsletter or send us an email letting us know.

As we hear of disasters around the world; earthquakes, tsunamis, volcanoes, we are reminded that time is short. With over 99% of its people headed to a Christ-less eternity, we are longing to begin the work in Lyon, France. Rebecca and Jeanne are already praying for doors to open for a place to live (and that God would give them a dog!) If you would like to give towards our ministry, you can make a contribution online at www.sendthefire.org/support, or mail your check (payable to AGWM with **Buck 266656** on the memo line) to:
