## Work, work... miracles

We produce television programs that people can view online for free. We produce programs with testimonies and clear explanations of the gospel for unbelievers, programs with music and exhortation to encourage believers who are struggling, programs that train believers and leaders in evangelism, church planting and ministry. These programs are changing lives - we know, because we receive emails! This is harvest!

Some include prayer requests - for divine help for those beginning their journey with the Messiah, for healing, for deliverance, for revival, for a transformation of this nation... so the team here unites to pray over these requests. How Wonderful to learn through subsequent emails and letters that these prayers have been answered with healings, deliverances, miracles, and breakthroughs. Truly we serve a King who answers prayers with

Prayer requests and letters from viewers

answers that are bigger than our prayers! He is Wonderful! Thank you for praying with us, for praying for us. If you would like to send us your prayer request, you can send it to [edward@sendthefire.org](mailto:edward@sendthefire.org).

## God is transforming lives in children's church

Evannah, who was consistently hitting other children, has been sitting quietly and learning, answering questions, participating in games. Her face which used to be either angry or mischievous is now joyful. Ila was physically attacked by bullies while at school, and we prayed. God has intervened, and she has had no further difficulty. This answer to prayer has increased her faith, as well as the frequency of her smiles. We have seen such growth! Two years ago, only one in four knew that Jesus is risen from the dead. Yesterday, most testified that they have personally experienced divine healing!

Truly, God reveals Himself to children!

## Missionaries to France

### Down to the river...

New converts were baptized a few weeks ago in the river here.

Carine's background was godless, but she had an older sister who got SO saved, that she was constantly telling her about Jesus. She thought this was annoying, but as the years passed, and she became impressed with her sister's determination to follow Jesus despite difficult trials. Eventually the seeds of the Word grew and she turned to the Savior. Her delighted sister traveled here by train to attend the baptism. Don't

give up on your lost loved ones!

## Thoughts

There is not a square inch in the whole domain of our human existence over which Christ, who is Sovereign over all, does not cry, Mine!

**Abraham Kuyper**

## Darkness in France

Occultism is so interwoven into French life, that many practice satanism without realizing it. Many people who come to Christ continue occult rituals out of habit. In this land, where there are more spiritists and mediums than pastors, people live in bondage, fear and depression. Please pray for a move of the Holy Spirit to awaken people to the truth that sets us free. Please pray for God to send workers for this harvest field.

## Prayer Requests

Pray for workers in the harvest in France - so many towns have no churches!

Pray for a fresh anointing for the workers in children's ministry - for vision, understanding, courage, and revelation of the Holy Spirit.

Pray for us as we produce TV programs, that our work would yield lasting fruit.

Pray for new believers, that they would grow in faith and turn from idols (literally).

Pray for the team here at Gospel Vision, for strength, unity, wisdom, and for more workers!
