Summer 2019

God still heals

Believers from several churches unite monthly to seek God's face and pray for an awakening here, and God is in our midst! At the last prayer meeting, one was healed of chronic pains, another of back pain, and a third of shoulder problems. Even greater miracles occur – churches are growing, people are making decisions for Christ, believers receive the baptism in the Holy Spirit. We are in awe of the work of the Holy Spirit in uniting us, in calling believers to pray, in increasing the strength and the joy of the churches here.

Testifying of her healing at prayer meeting!

Two new sisters - After practicing various forms of witchcraft for many years, Fleur and Elsa have made decisions for Christ. Now they study God's word and discipleship books with more zeal than they ever had for the occult. Their desire to walk in the Light shines whenever we see them. The love of God is healing them, and the Truth is setting them free. Please pray for Elsa and Fleur; that they will find complete freedom in Jesus the Messiah.

Word on the Street

Last week we invited people from the apartment buildings near a local church for a concert and a kids' fest. Many unreached people came, the curious, the confused, and the cordial. We spoke with moms, Muslims and misfits. Wish you could have been here, the crowd was sometimes overwhelming.

Someone handed Serina, a mother of three, a flyer for the outreach events while she was waiting for a bus. She came to the concert, returned for church the next day, and prayed with a worker that afternoon at the kids' fest. Please pray for her; one of her children has a severe illness.

Resurrection weekend outreach

We worked with one local church and distributed 1000 invitations to neighbors. The weekend concert, service and kids fest was an incredible success. Nearly 300 people came Sunday morning (we nearly ran out of chairs!), with many families visiting for the first time ever.

Thoughts

I sent you to reap what you have not worked for. Others have done the hard work, and you have reaped the benefits of their labor." Jesus the Messiah,
John 4:38

There is room at the cross

Recently a kids' church worker explained the plan of salvation in her class, and asked the students if any would like to make a decision to follow Jesus. To her astonishment, every single hand went up, and the entire class prayed together. Since that time, the children in that class have been reading their Bibles and memorizing verses with wide eyes and open hearts.

Please pray for these new disciples, that they will also make disciples.

Several members of the team are still suffering from illnesses and injuries. Please pray for health and healing, so that we can work for the harvest.

Please pray that national believers would hear God's call and say "Here am I" – the harvest is great, and the workers need help!

Rebecca and Jeanne will be taking an important exam in May. Please pray that they will have peace, and remember clearly what they have studied this year.

Please pray for the multitudes who live in apartment buildings surrounding a local church – that their hearts would be open to hearing God's Word.
