

# The Buck Family

Fall 2021

## Back in the US

Home! After agonizingly long delays in obtaining my 10-year visa from the French government, we boarded a plane to the US. We have

been encouraged by faithful believers in many churches. We are so thankful for all of you who have allowed us to share about what God has already done in France, and the work that awaits us there.

To all who have prayed for our visas and for our RV, THANK YOU! Your prayers have been answered! Please continue to pray for us, that we will quickly raise the funds needed so that we can return to the work God has called us to do.

We still need about \$1500 per month in monthly commitments. It's easy to make a new commitment, or to increase your commitment; just go to this web address and fill out the form online:

<http://s1.ag.org/buck>

We still have several service dates available, though they are filling up quickly. If you would like us to share at your church, with a small group, or a group of friends, please contact us to arrange a date.

## Missionaries to France

### Word on the Street

The French parliament passed the proposed "law of separation" this summer. This law places many new restrictions on what Christians and churches can do in France, as well as banning homeschooling.

Please pray for churches in France, as they determine how to continue ministering despite the new regulations, and seek funds needed to comply with added expenses for churches.

Here is a web article that speaks about the new law: <http://s1.ag.org/france-separatism>

## "Evangelicals are a serious problem"

Believers in France face increasing opposition. One representative in parliament stated, "Evangelicals are a very serious problem" and "we cannot discuss with people who will not declare officially that the law of the republic overrules the law of God." This anti-Christian speech increases Christophobia. We know that God is in control and He has called us to reach the people of France. We are

not afraid and we pray that God's light will shine more brightly there than ever. Please pray with us, and pray for us. We know that God will continue to draw people to Himself, and that His will is that all come to repentance.

## Thoughts

"The gospel is only good news if it gets there in time" --

Carl F. H. Henry

## New church plant

For years now, we've had the privilege of working with Marlene, a faithful,

precious sister.

Recently, God called her to plant a house church. After

much prayer and speaking with other leaders, meetings

began. The Lord has

confirmed His

word with

signs, and

several

believers have

been baptized

in the Holy

Spirit!

## Prayer Requests

Pray for this time of itineration, that we would quickly raise our needed support and return to the field.

Pray for churches and believers in France as they navigate increased restrictions and challenges.

Pray for our health and safety as we travel from church to church sharing about France.

Pray for our children, as they transition from France to America, and back to France again.

Pray for open doors in France as God leads us to a new city to plant a new church.
