

Spring 2023

First class of students graduating

In 2020, the online Bible Institute here in Troyes began offering courses to believers who wished to prepare for

ministry. The first students are now graduating. Many of these are already

working in the harvest. Some are already in full-time ministry, and some serve after working a full-time job in the marketplace. We rejoice that we have been able to take part in equipping these believers for the work God has called them to do.

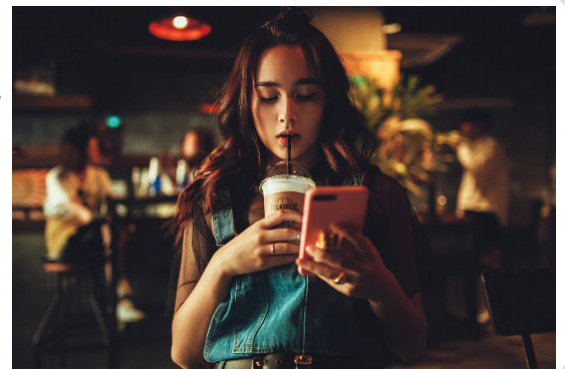

Please continue to pray for us

We now live in La Villeneuve-au-Chêne. This town has no church, and everywhere you look – there are souls in need of salvation. There is no church within 15 miles. Finding lost souls is easy here – the challenge is to reach them, so that they can sing, “I once was lost, but now I’m found.” Please pray that we will find effective ways to present the Gospel so that their ears can hear it, and their hearts can receive it. Please pray for divine appointments and for open hearts.

God is faithful!

Technology is a tool for the Gospel! Is it possible that the tract of the 21st century is a short video? Believers can now view a “Reel,” a “Short,” or a “TikTok” and send it to every lost soul that they know – and they could send one every day! Creating content that will empower believers to reach the lost – this has become a project for our whole family. Please pray for us – that we will preach the Word boldly – with technology!

Prayer Requests

✦ Please pray for the students who are completing their program at the Revival Center Bible Institute. Pray for anointing from the Holy Spirit for the work they do, and wisdom to walk forward with God every day.

✦ Please pray for us as we create content to reach the lost, and to equip believers to reach the lost. Pray that our work will be effective and that lives will be transformed.

✦ Please pray for this town where we live, where we are the ONLY believers. Pray that we will boldly shine the light of Jesus with wisdom, and that souls will turn to the Lord, and become disciples who make disciples.

Consider . . .

"I have but one life to live on earth and this one life is but a brief life for sowing in comparison with eternity for reaping."
